MEMORANDUM FOR: W. E. COLBY

25X1 FROM: [redacted]

SUBJECT: Meetings with the PFIAB

Wheaton Byers informs us that the following meetings are scheduled with Board members during the week of 30 July 1973. On Wednesday morning, 1 August, Carl Duckett and someone from Howard Osborn's office will brief the four new members of the Board on special security items. From 10:45 a.m. to 1200 noon, you are scheduled to brief the four new members and Admiral Anderson on the intelligence community. Wheaton Byers and his assistant, Commander Olmer, will sit in. Mr. Byers suggests that your briefing cover the history of the intelligence community and be broad brush in treatment.

The four new Board members are scheduled for lunch here at Headquarters on Wednesday, 1 August, hosted by you. The lunch will be from 12:00 to 1:30 p.m. At 1:30 we will transport the four new Board members to NPIC where Carl Duckett will take over and brief them until 4:45 p.m.

25X1 On Thursday, 2 August, [redacted] will brief the entire Board on "Management by Objectives" and on the intelligence budget. On Friday, 3 August, at 9:30 a.m. you are expected to brief the entire Board on national intelligence priority objectives. Wheaton Byers also suggests that you might wish to discuss your concepts of how your office will be organized, how ONE will function, how USIB will be reorganized, etc.

Board member William Baker is concerned and may raise with you the question of whether COINS is being managed properly. Lew Allen can brief you on this situation. The Board is also concerned about the way the NRO is organized. They have long thought we need a NSCID for the NRO. They may also raise questions about EXCOM members.

Have enough. 2 Cys.
